CHILDREN'S SERVICES COMPUTER USE POLICY

The Deer Park Public Library, in an effort to allow fair and adequate computer access for children, **cannot** allow any adult or parent to use the public computers located in the Children's Services Department.

The public computers in the Children's Services Department are available to children **up to grade 8** who possess a valid Deer Park Public Library card or other appropriate identification, provided the proper consent forms have been signed by the parent or legal guardian. Public computer access for individuals, **grade 9 and up**, is available on the main floor in the adult department.

When a child wishes to use the public computers in the Children's Services Department, they must have their own Deer Park Public Library card.

Filtering software, networked, provided and maintained by the Suffolk Cooperative Library System is installed on the Children's public Internet computers in the Deer Park Public Library.

Approved by the Board of Trustees September 24, 2003

Revised Policy reviewed by counsel, approved by the Board of Trustees March 2004

Updated April 26, 2006
