MEETING ROOM POLICY

The primary purpose of the Library's meeting room is to serve as a venue for Library sponsored services, programs, and activities. This policy concerns requests for use of the meeting room for non-library sponsored activities.

To meet the informational, cultural, educational, civic and recreational needs of the community the meeting room is made available to individuals, and not for profit organizations and groups within the community.

The use of the meeting room for public gatherings will be granted for holding educational, social, civic, intellectual, charitable and recreational meetings and entertainment, and other uses pertaining to the welfare of the community. Such uses shall be non-exclusive and shall be open to the general public. Anyone may attend any meeting.

The meeting room may not be used for any commercial purposes. No goods or services may be promoted, sold, or exchanged on the premises including by sample, pictures, descriptions, etc.

Application, by an adult, on the form provided, to use the Library's meeting room must be made at least one week in advance of the intended use. Forms are available on the Library website <http://deerparklibrary.org/library-info/library-policies> Reservation for the meeting room will not be accepted beyond 30 days following date of approval of request. Scheduling availability is to be solely determined by the Library.

The form must be signed by a Library district resident. No application shall be considered approved until it is signed by the Library Director, or other person designated by the Board of Trustees, and returned to the applicant.

The meeting room may not be used for any activity other than the activity described in the application, without consent, in writing, in advance, by the Board of Trustees.

Approval to use the meeting room is not transferable. An applicant authorized to use the meeting room may not use the meeting room to host an activity sponsored by another individual, group or agency.

The Library does not advocate or endorse the viewpoints of any applicant or organization approved to use the meeting room.

In all announcements or publicity relating to a meeting room event the Library may only be mentioned as a location. The Library is not to be indicated as the sponsor of an event nor as the headquarters of an organization. The Library is not to be referenced as a source for further information regarding a non-library sponsored event.

No applicant or organization may consider the Library its permanent meeting place or use the Library as its mailing address or use the Library phone number on behalf of applicants or organizations using the meeting room.

The meeting room is available during regular Library hours. A representative of the organization must be present 30 minutes before the scheduled program begins. Meetings may not extend beyond Library closing. No one may enter the Library prior to opening. An unexpected closure will render the meeting room unavailable (i.e., snow closing, etc.). The Library accepts no responsibility to applicants or organizations for unexpected closings.

Any change in time, date, or cancellation of an activity is to be reported to the Library Director, with 24 hours advance notice, at (631) 586-3000, followed up in writing. Failure to notify a cancellation may result in denial of future requests for use of the meeting room.

The maximum number of people who may attend a non-library sponsored meeting is 30.

A responsible adult must supervise groups comprised of members under the age of 18.

No refreshments, food or drink may be served. No kitchen facilities are available. Smoking is not permitted in the meeting room, or any other location within the Library building. Alcoholic beverages are not permitted in the Library. Lighted candles or open flames are prohibited. The meeting room must be left in a neat and orderly condition. Nothing may be attached to the walls, ceiling, floor, furniture, equipment or doors.

The Library is not responsible for the safeguarding of any supplies, equipment, or other items owned by the applicant or by persons attending the applicant's activity. The Library will not store materials for any applicant. Materials left in the Library will be considered abandoned property.

Excessive noise or the use of hazardous materials is prohibited. Meetings must not disrupt or interfere with normal operations of the Library.

Notwithstanding any other provision of this policy, as a school district public library located in property owned by the Deer Park Union Free School District ("School District"), the Board of Trustees hereby authorizes the Library Director to grant the School District, or authorized agents of the School District, use of the Library's meeting rooms when such rooms are available.

Whenever the meeting room is used, there is the possibility that persons may be injured and bring legal action against the sponsoring applicant or organization, the Library Board of Trustees, Library employees and/or the applicant, group or organization, for personal liability. The signature on the application is acknowledgement by the applicant or organization that it recognizes this responsibility. A certificate of insurance naming Deer Park Public Library as an additional insured is required for approval prior to use of the meeting room.

The applicant is to execute a hold-harmless/indemnification agreement in favor of the Library, its Board of Trustees, and its employees from any liability or claim action or loss arising from the applicant's use of the meeting room to include the cost of legal fees, costs, or expenses incurred

by the Library in connection with defending any claim arising from the applicant's use. The signature of the applicant on the meeting room use application is acceptance by the organization, group, or individual of the indemnification responsibility.

The Library Director reviews and approves applications for use of the meeting room providing such applications fall within the Library's regulations. A completed application; signed hold-harmless/indemnification agreement in favor of the Library, its Board of Trustees and employees from any liability or claim action; and a certificate of insurance are required before a final approval for meeting room use is granted. Provisional approval may be granted, pending receipt of complete appropriate paperwork.
