Library Board of Trustees Meetings:
 Wednesdays: September 26 & October 24 at 7:30pm.
 Meetings are open to the public.

A message to our community,

As we go to press, we have over 425 children and counting, participating in our Summer Reading Program, *Libraries Rock!* We certainly were rocking at the Deer Park Public Library this summer. We had over 200 children and parents join us on the East Lawn for our kick off: an interactive concert with the Hip Pickles Drum Band. The Children's Room rolled with 145 children coming up for giveaways and to create a crafty tote.

Our teens and tweens are developing character and doing community service growing vegetables at the Town of Babylon's Edith Salzer Community Organic Garden to be donated to local food pantries. Others are volunteering by assisting with the myriad of programs the Children's Room offers. We are partnering with the district's summer school program by having ENL, English as a New Language, students visiting the Children's Room.

Come view our monthly displays by local artists ...

September & October:

Mario Johnson

This artist puts his heart into each of his paintings. He uses acrylics and model paints to create cartoons and characters of famous celebrities.

Children and caretakers are actively engaging in all our summer reading and learning experiences. We are having a blast, or maybe a "boom" but it's not just fun, it really matters, because studies have shown that children who do not actively engage in reading and learning during the summer months can experience "Summer Slide" or the loss of two to three months of academic progress.

We hope that you and your child participated with us this summer, but if you missed out, no worries, because the fun and learning continue as we rock and roll right into fall at your library.

1,000 Books before Kindergarten

We are proud to announce that the Deer Park Public Library is a proud participant in the **1,000 Books before Kindergarten** nationwide initiative.

The concept is simple, the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes, you can repeat books) before your precious one starts kindergarten. Are you ready to get started? Come down to the Children's Room to pick up your free packet.
