As this newsletter is being written we look forward to the next phase of reopening the building to the public. Some things will be required for patrons as well as staff: wearing a mask, social distancing, hand sanitizing. We will also continue "curbside pick-up". Please call us to request books, videos, etc. We will gather the materials and reserve a time for pickup. We invite you to take a look at the virtual (online) programs for all age groups. While we look forward to seeing you in person, we continue to be available over the phone. Please check the website, Facebook, and Instagram. Thank you for your support.
